REACH Compliance Statement

Date: 05/07/2024

Amitron Corporation products are in compliance with ECHA REACH requirements for all substances of very high concern (SVHC).

Our products do not contain any of the ingredients listed in the candidate list table, with exception as listed below.

<https://echa.europa.eu/candidate-list-table>

This declaration includes the List from January 23, 2024, which makes it a 240 substance lists.

Exceptions:

Amitron Corporation uses Lead to manufacture circuit boards when customer requirement is for 63/37 leaded solder finish. Lead is item number 186 on the Reach SVHC list. Lead is only present if requested.

Limitations:

Amitron Corp believes that the information it provides above is accurate. The provided information is based upon data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. Amitron Corp provides such information "AS IS", without any express or implied warranty of any kind. Amitron Corp reserves the right to update and modify this communication, as it believes necessary or appropriate.
